ORDER:

In the reference 1<sup>st</sup> read above, orders were issued for adoption of revision and updating of A.P. Standard Data in all Engineering and Public Works Department and other organizations wherein a provision of 14% is added in the data towards Contractor's Profit and Overheads. The overheads include site accommodation, water supply, electricity and general site arrangements, Laboratory Equipment, Mobilization/De-mobilization of resources and work Insurance/Compensation etc. But the percentage breakup for each component of overheads is not mentioned in the A.P. Revised Standard Data.

2. Subsequently, the Government in the reference 2<sup>nd</sup> read above, has issued orders to dispense with insuring all works of I&CAD Department including weirs, dams, spillways and critical components like high level bridges, tunnels and deep cuts etc. It is further instructed that if any critical work like dam or high bridge etc. is to be insured, proposal is to be sent by the concerned Chief Engineer to the Government and the Government will take a case by case decision whether to insure or not to insure the work.

3. In the reference 3<sup>rd</sup> read above, based on the recommendations of the Board of Chief Engineers and also on the advise of the Director General, Centre for Good Governance, the Engineer-in-Chief(IW), Hyderabad has submitted proposals for percentage breakup for insurance component i.e., 0.385% to be deducted in the provision of 14% towards Contractor's Profit and overheads. The overheads include Site accommodation, Water Supply, electricity and general site arrangements, Laboratory Equipment, Mobilization/De-mobilization of resources and Work Insurance etc. The insurance component shall be deducted from the provision of 14% towards Contractor's Profit and overheads in view of the orders issued in G.O.Ms.No.61, I&CAD(PW:Reforms) Department, dated:25.06.2013 and requested the Government to permit him for adoption in the A.P. Revised Standard Data as detailed below:-

- a) To deduct 0.385% towards insurance component from 14% contractor's profit and overheads provision in view of dispensing with insurance of works and the remaining percentage provision of 13.615% to be added in the data for all the works.

P.T.O.,

- b) To deduct an element of insurance equivalent to 0.385% from the value of the work done while admitting the bills in respect of works entrusted and the insurance coverage is not made by the agency or for the works which are in the process of entrustment.
- c) To delete the relevant condition/clauses in the future Tender Schedules/Agreements in respect of Insurance as per the instructions vide G.O.Ms.No.61, I&CAD(PW:Reforms) Deptt., dt.25-06-2013.

4. Government after careful examination of the above proposal, hereby permit the Engineer-in-Chief(IW), Hyderabad for making a provision of 0.385% towards insurance component out of 14% towards contractor's profit and overheads for adoption in the A.P.Revised Standard Data for estimation of new works as detailed below:-

- a) To deduct 0.385% towards insurance component from 14% contractor's profit and overheads provision in view of dispensing with insurance of works and the remaining percentage provision of 13.615% to be added in the data for all the works.
- b) To deduct an element of insurance equivalent to 0.385% from the value of the work done while admitting the bills in respect of works entrusted and the insurance coverage is not made by the agency or for the works which are in the process of entrustment.
- c) To delete the relevant condition/clauses in the future Tender Schedules/Agreements in respect of Insurance as per the instructions vide G.O.Ms.No.61, I&CAD(PW:Reforms) Department, dated:25-06-2013.

5. The Engineer-in-Chief(IW), Hyderabad shall take necessary action accordingly while preparing the A.P.Revised Standard Data.

6. This order issues with the concurrence of Finance(W&P) Department vide their U.O.No.1157/F7(A1)/2014, dated:03.05.2014.
